# CHAIRMAN'S MESSAGE

On behalf of the entire Old Timers Days Festival Committee and the Peebles Lions Club, I would like to welcome you to our 2015 festival. It is our 48th festival year and we will soon be celebrating our Golden Jubilee.

The OTD Festival Committee has spent many months working hard behind the scenes to provide our community with fun for the entire family and plenty of entertainment. Many favorite events and entertainers are back and there is some new ones to enjoy.

Bring a lawn chair and come on down to the festival, sit back and relax and have a good time. This year due to scheduling conflicts the Old Timers Festival will not have the Arts and Crafts House in the American Legion, instead we will have all crafters outside and the Cutie Pie Prince and Princess will be located in a tent between the food booth and Lions membership booth.

This year we will have our cloggers back in the Cabin Fever parking lot and during the day we can see many Native American and other demonstrations in the lot from 12 - 4 pm on Friday and Saturday. Learn to carve with pipe stone, make fry bread or a dreamcatcher or maybe learn to play the flute.

There are many people who donate their time and talents to help us make the festival possible. To all the volunteers we want to say a big "Thank You!" And many thanks to the sponsors who make this fundraising event successful.

I would like to thank my Vice-Chair Jessica Houchen, Secretary Mary Forman and Treasurer Heather James for working so hard on the committee. And to all the committee chairpersons for the events they have managed through the year(s). You can find that list in this tabloid, please take the time to thank them for a job well done.

I cannot forget to thank the business people, individuals and community leaders who support us through advertisements, prize donations, event and entertainment sponsorship. Your generosity helps bring the best festival to our town. Thanks to C103 radio for live feeds and radio shows promoting the festival. Thank you to all the newspapers for printing our articles.

The festival will be here September 17 - 20, so save the dates and come join in the events we've created for each of you. See you at the festival.

Sincerely,  
 Marie Palmer

## MOTHER MAYEYE TO APPEAR ON FRIDAY AFTERNOON

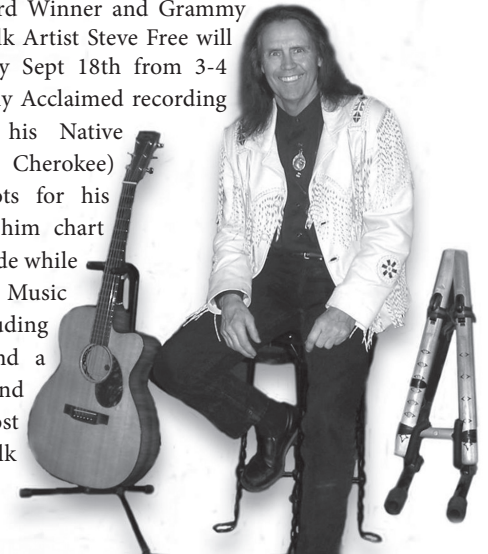

**M**other Mayeye started with two best friends that were recording a song to celebrate the life of a third friend who had passed. The two decided that life is way too short to not have fun and they happened to hear of a crazy guy who played bass and a female vocalist at karaoke night that rocked, and boom, Mother Mayeye band started.

The band plays something from nearly every genre and they keep playing until it ain't fun no more. A special appearance will be made by the young and talented, Grace Brown. Mother Mayeye will perform on stage in Peebles on Friday afternoon, 1-3 p.m., bring your chairs and your friends and have a great time.

## THREE MEN AND A CAR SHOW

The Old Timers Days Festival began with three men and a car show. It grew so fast that food and events were added to the venue. Those three men, Jess Thompson, Ray Adkins and Henry Hudson decided it was growing too big for them and asked the Peebles Lions Club to help them with the festival and the festival was born. The Peebles Lions Club are in their 48th Old Timers Days Festival year.

The Peebles Lions have lost several 'Old Timers' and are greatly missed including founder Jess Thompson's wife, Lion Thelma Thompson; charter member Lion Lloyd 'Jack' Unger; and Lion JoAnne Swayne and Lion Juanita Thompson. It would be hard to tally all the hours these pioneers of the festival have put into the festival.
